**Cloverdale Health Care District
Meeting Minutes-June 10, 2024**

Roll Call: Eric Polan, District Operations, Tom Hinrichs, board members Secretary Hanchett, President DeMartini, Vice President Delsid and Treasurer Martin were present. Gene Lile, who was out of town, was not present. A quorum was met.

Meeting called to order at 7:00 p.m. by Vice-President Delsid, as President DeMartini joined the meeting just after it was called to order. The agenda, as submitted, was unanimously approved after a motion by Hanchett and a second by Martin. There were no public comments.

Minutes from April meeting- There was no meeting in May. The minutes were reviewed and approved with a unanimous vote after a motion by Treasurer Martin and a second by Vice President Delsid.

Financial Statement, May, 2024- The district's finances are in excellent shape. A large late reimbursement was received from Kaiser. United Healthcare, who is the payment processor for Kaiser, experienced a wide-spread data breach, which delayed reimbursement. It was determined that the district's data and information was not compromised. Expenses are in line with budgeted amounts. After a brief discussion, the financial statement was unanimously approved after a motion by President DeMartini and a second by Treasurer Martin.

Staff Report: Eric commented that our staff has done a great job. A video meeting was held for the crew and the feedback was very positive. Staff were also commended for taking excellent care of the equipment and they are working well together. As the district heads into fire season, Eric is looking to hire an additional part-time Paramedic and EMT. Due to one of the district's part-time EMTs being in Paramedic school, there is a full time EMT opening now.

The fleet currently has two ambulances back in service and the arrival of the new ambulance should happen any day.

QRV-New Vehicle: The vehicle being used as the QRV vehicle is starting to show wear. The QRV partnership is also going well. The Northern Sonoma County Fire District has purchased a new Tahoe for use as the QRV vehicle for the program. The pilot has only two more months to go. The new Tahoe will be complete and ready to go upon receipt. While the district waits on possible grant funding for two vehicles, this new Tahoe will be available. In addition, Northern Sonoma County Fire District (NSCFD) has budgeted \$50,000 towards the continuance of the QRV program. Payments of \$25,000 would be received in July and January and will be for staffing 7 days a week, 24 hours a day. \$4000 per month will cover the district's expenses, fuel, insurance and administration. Eric will maintain a separate budget for the QRV program.

There was some discussion about the legal challenges to recent tax initiatives and the status of counted-upon funding could change.

Resolution 24-02: Election Consolidation: Resolution 24-02 was circulated by President DeMartini, unanimously approved by those present and signed off. It provides for the election process funding for two open terms on the district's board: Hanchett's and Lile's.

Draft Budget 24/25 Summary Format: QRV income and expenses will be separated from the regular district budget and expenses. The board agreed on this format going forward.

AVRMC Correspondence Discussion & Action: The board agreed to have Treasurer Martin contact Alexander Valley Healthcare and look at pre-building and post building opportunities for the district's potential funding of the new medical and wellness facility.

Rotary's Asti Tour de Vine-Discussion & Action: The district will provide an ambulance at the October event. The district will also be represented in the Chamber's 4th of July Parade.

From Members: The board encouraged and recommended that both Tom and Eric attend the EMS Expo event in Las Vegas and supported the use of \$1300 in district funds each to make that happen. Education and networking are very important to district success.

Meeting adjourned at 7:48 p.m. until the July 8, 2024 meeting.

Respectfully submitted,
Neena Hanchett, Secretary

FINANCE REPORT-

The financial reports show the current month end data as of July 2024 with the draft budget approved categories for variance purposes.

I have included the following fiscal year-end reports related to our charges and reimbursements associated with the delivery of ambulance services for your information and review.

We moved \$100,000 to the CalTrust account to attain higher a interest rate for the short term until we need this money for expected capital expenses

STAFF REPORT
August 2024

Manager Report—

Operations – Staffing is good. I am still looking to hire 1 more PT Paramedic and PT EMT.

Fleet – Our primary unit had a similar issue that it had a year prior and just shuts down. It was taken to Ford and repaired. We have also come up with a solution to improve cooling on hot days which should be completed this month. Our new back up ambulance was placed into service and did great.

Decommissioned Unit - We have made attempts to sell the decommissioned unit without success. We attempted to get it repaired and donated to the SRJC as a training vehicle and were not successful with that. Our current plan is to attempt a repair and donate the unit to Cabo San Lucas Fire Department in Mexico. I have had preliminary talks with them and they are willing to take the unit. This would be the second ambulance that we have donated to them in the last 5 years. Fletcher Fabrications will complete the repair as a donation. Even with the repair, it can not be used as an ambulance for us.

New QRV – Our partnership with Northern Sonoma County Fire District is going well. They have purchased a new Tahoe for us to use while we wait on the possible grant funding for the 2 new Tahoes. The Tahoe is ours to use for the program. Should the grant not fund the new Tahoes we will still be able to keep and use the Tahoe they have purchased. The vehicle will come complete with all code 3 equipment, decals, and pre-wired for the radios.

Call volume for the month of May was good. 91calls with 76 transports.

**CLOVERDALE HEALTH CARE DISTRICT
RESOLUTION 24-03**

**A RESOLUTION OF THE CLOVERDALE HEALTH CARE DISTRICT
REVIEW AND AMENDING THE DISTRICT SCHEDULE OF EMERGENCY
MEDICAL SERVICES FEES**

WHEREAS, the Cloverdale Health Care District of Sonoma County, State of California (the "District") has the rights, obligations, and authority over prehospital emergency medical services, Advanced and Basic Life Support Services, including ground ambulance services, throughout the entirety of the District territory and appurtenant ambulance service areas, pursuant to California Health and Safety Code section 1797.201; and

WHEREAS, on January 1, 2023, the Board of Directors ("the Board") of the Cloverdale Health Care District of Sonoma County, State of California ("the District") adopted District Ordinance 2023-02, establishing a District schedule of Emergency Medical Service Fees, consistent with Proposition 26 and California Health and Safety Code section 13916 et seq., including an annual inflation adjustment if necessary; and

WHEREAS the Board of Directors has directed staff to review the fee schedule for accuracy and applicability and to make amendments to the fee schedule for the current year beginning on July 1, 2024, and

WHEREAS the Cloverdale Health Care District has been the exclusive provider of emergency medical services within the District Boundaries and approved as a provider of ALS/BLS EMS services by the Local Emergency Medical Services Agency (LEMSA) since 1958 with review and publication of fees on the LEMSA webpage for public review,

NOW THEREFORE, the Board of Directors of the Cloverdale Health Care District of Sonoma County, State of California do ordain as follows:

Section I. Purpose and Intent: Pursuant to California Health and Safety Code section 13916 et seq., the District is authorized to charge and collect fees to cover the costs of any service which the District provides or the costs of enforcing any regulation for which the fee is charged. The purpose and intent of this Resolution are to establish and impose district-wide fees for the delivery of emergency medical services to fund paramedic ambulance services and upgrade facilities to meet community needs. the District and County have conducted analyses and fee studies to determine that the fee schedule in this resolution reflects the reasonable costs, including staff time, for providing advanced and basic life support services throughout the entirety of District territory, appurtenant ambulance service areas,

Section II Fee Schedule: The District hereby adopts and reaffirms the following fee schedule, which is attached as Attachment "A" and incorporated herein by reference: 2024 Cloverdale Health Care District Schedule of Emergency Medical Services Fees. The fees incorporated herein can be adjusted annually for inflation effective each fiscal year if the District finds a need and nexus to cover actual costs and budget requirements. This resolution shall supersede any prior schedule of service fees within the District, including, but not limited to, District Ordinance 2023-02.

THE FOREGOING RESOLUTION is adopted at a regular meeting of the Board on and Approved this Twelfth day of August 2024 by the following vote:
